

BAG BUNGEE™

1. Open the side release buckle and loop web strap under the top grab handle of your wheeled suitcase. Insert the male webbing end of the buckle into the female receptacle to attach Bag Bungee™ to your wheeled suitcase.
2. With telescoping handle up, place your 2nd bag on top of the wheeled suitcase so it is in front of the raised telescoping handle.
3. Pull the top of the Bag Bungee™ up and over the 2nd bag and telescoping handle and secure.
